Honorable John L. Harvey
Deputy Commissioner
Food and Drug Administration
Department of Health, Education, and Welfare
Washington 25, D. C.

Dear Mr. Harvey:

I refer to the visit of Mr. Kleinfeld, Mr. Rarig, and myself with you on March 16, 1964, my letter of March 17, your letter of March 23, and my letter of March 24, all in connection with the then proposed acquisition by this Company of Whitmoyer Laboratories, Inc. I am writing now to inform you that the acquisition was completed yesterday.

The acquisition was made by a new subsidiary Company, which we organized under the laws of Delaware on June 12, 1964 under the name W-L, Inc. and which we wholly own. As of today's date, i.e., July 1, 1964, the name of our subject subsidiary has been changed and recorded among the corporate records in the State of Delaware to Whitmoyer Laboratories, Inc. - exactly the same name as that of the Company whose assets and business were acquired by our subsidiary yesterday. At the same time, the old Company has changed its name to C. W. Corporation of Myerstown pending final dissolution and liquidation, which is in process and which will be wound up as soon as possible.

In these circumstances, the name of the producing Company will remain exactly the same, and the place of business will remain the same, i.e., 19 N. Railroad Street, Myerstown, Pa. Moreover, it is not contemplated that any change will be made in the processes, controls, facilities, methods of manufacture, or in the labels.

As suggested in your letter of March 23 and promised in my letter of March 24, I am giving this notification so that your new drug files may show that the New Drug Applications now apply to the new firm. If there is anything beyond this which we should do, I should appreciate it if you would let me know.

Sincerely yours,

J. E. Hall, Jr.
General Counsel
